REPORTED PLAYERS, EARLY GUILTY PLEA AND TRIBUNAL INFORMATION SHEET

Within twenty minutes of the conclusion of a game the Match Manager must visit the Umpires change rooms and among other things ascertain if there have been any reports.

If a report has been made he must inform the relevant Team Manager(s) who should also visit the Umpires room to collect any paperwork relating to the report. Failure of a Team manager to attend rooms will not invalidate a report. All parties must have a copy of the report, both clubs (if applicable), reporting umpire and a copy must be put in the match envelope and sent to the League by the Match Manager.

If an "Early Guilty Plea" can be taken, in consultation with other parties it should be determined if the player is eligible to accept this option and if so, if he wants to follow that course. This will be communicated usually on the Monday following a game.

Any charges laid by the Match Review Officer in reference to video reports will be communicated to that club on a Monday afternoon following the game with the intended penalty.

The reported player sheet must be also emailed to the above and then placed in the match envelope.

Tribunal hearings will normally be held from 7pm on the Wednesday following the game at NWFL Headquarters or Old Robins rooms, Ulverstone Recreation Ground Victoria Street Ulverstone.
